ABOUT THE ROTARY CLUB OF BARRIE HURONIA

By Partnering with the Rotary Club Of Barrie –Hurononia in Sponsorship of this Annual event celebrating the beautiful Barrie waterfront, you are joining with other like-minded community members where 100% of all monies raised from all of our fundraising goes into our community and international projects. With your sponsorship of this event, you and your company are joining many others by contributing back to the local community through one of the many Rotary projects these proceeds will help to fund. Through Rotary's various events throughout the year we provide Major Community Service to projects such as RVH Rotary House, Hospice-Simcoe, and the Georgian College Wellness Centre. Rotary contributes too many Initiatives that assist in greening of our community and also provide assistance to local individuals at a time when they and their families are in need. For 2018 you will be part of the Dock Project which will be positioned on the Kempenfelt Bay Shoreline in the Heritage Park.

Through Vocational Service we give back to our schools with initiatives in our Elementary, High Schools and Georgian College.

Through International Service, we have been working to eradicate Polio worldwide for over the last 25 years and we are so close to its eradication.
